*Dunbarton Standard Hardware Locations*

D-003.18

July 16, 2018

Effective July 30, 2018, Dunbarton will no longer offer standard location for reversible doors. This change eliminates the 80-3/16", 81-3/16" & 84-3/16" height locations. The 80", 81" and 84" location will be unchanged.

If you require frames with reversible locations, please specify your required locations from top down with your order.

Revised location sheets can be found on our website [www.dunbarton.com](http://www.dunbarton.com) under Resources/Tech Bulletins.

If you have any questions, feel free to contact your Dunbarton sales rep or customer service professional.
